

# FMSI Monthly Newsletter & Social Media Sites

## FMSI VantagePoint

FMSI VantagePoint is a monthly newsletter dedicated to providing staffing performance management ideas exclusively for the financial institution industry. Each issue has a featured case study, loaded with tips from industry peers on how to effectively utilize FMSI products. Along with a featured case study, each issue has the following:

- **FMSI Chart of the Month** — One of our client's monthly charts is selected for highlighting standout achievements.
- **For Senior Management, From Senior Management** — Our CEO writes about a thought provoking topic for each issue.
- **Did You Know** — Quick helpful financial institution performance management related facts.

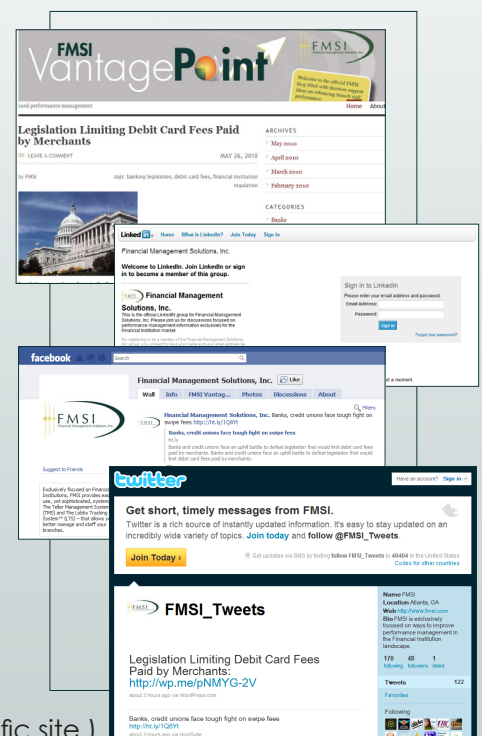

Please sign-up for the FMSI VantagePoint newsletter by going to our website – bottom right of homepage. You can also see all of our recent FMSI VantagePoint publications on our website along with the FMSI Email Privacy Policy. We will not sell or let anyone else use your email address.

## FMSI Social Media Sites

These sites are 100% dedicated to providing staffing performance and activity management tips/insights exclusively for the financial institution market — through mostly links found on industry specific publications. We will not spam you with unwanted solicitations.

Please follow us or join our groups.
